

Curriculum Validation Form

Purpose of this form: To ensure that our curriculum is viable, your Subject Area Committee needs some feedback from the teachers who use it. On this page is a Curriculum Validation Form. Please complete this form (electronically or hard copy) after teaching an **outcome**, and return it to a Subject Area Committee member (via email or school mail). Information provided on this form will help the committee address problem areas, share information about resources, and make the curriculum document more user-friendly.
